Background

On the 1st of May 2023, after tough financial times and a period of homelessness, the Taupo RSA Inc joined as a social member of Bowls Taupo, once again giving the Taupo RSA a home, and a place from which to provide support and assistance of current and future generations of former service persons.

Included in your RSA membership is a social membership to Bowls Taupo. This enables you social access to the Taupo Bowling Club for RSA and Bowls Taupo clubroom activities only (no greens access).

The Taupo RSA Inc welcomes new membership, not only of returned and served personnel, but from any members of the community who are interested supporting our current and former servicepersons.
